

Community Defibrillator Seminar

10:30 Saturday 10th June

Long Sutton Village Hall

The Community Heartbeat Trust will be demonstrating the use of public access defibrillators recently deployed in the Parish of Long Sutton and explaining how the equipment works and its benefits to the community in saving precious minutes in the treatment of sudden cardiac arrest.

The more people that know how to use the portable defibrillator installed in our community, the more chance there is of saving the life of a victim of Sudden Cardiac Arrest

Everybody is welcome, and no special skills are required, just your willingness to play an important role in the event of a medical emergency
