The Discovery of the Natural World with Stephen Parker.

From the letters of Gilbert White, the voyages of Charles Darwin to the BBC's Life on Earth, British Naturalists have been responsible for the discovery of the natural world. This course will explore the history of the world's wildlife and its discovery. Fully illustrated including a site visit.

Location

Long Sutton Village Hall
Martock Road
Long Sutton
TA10 9NT

Starts Tue 9 Oct 2018
