**LONG SUTTON**  
Village Hall

## About the hall

Situated at the top of the village, and set in over seven acres of playing fields and recreation grounds, the Hall and adjacent Sports Pavilion serve the very active community of Long Sutton and its neighbourhood. The Primary School is next door, and the heart of the village is 100 or so yards down the road. Here the classic village green is home to the imposing 15th century Church, our award winning Long Sutton Village Stores and also the Devonshire Arms, once a hunting lodge and now fine Inn offering a restaurant, garden and accommodation.

The venue is used extensively for a wide variety of activities including **society meetings, craft workshops, fitness, dance, yoga** and **parties**, and its 200 seat capacity and large tarmac car park make it ideal for **talks** and **musical events**. These facilities and the large grassed area where marquees can be erected have seen a growing demand for the Hall as a **wedding reception venue**.
